Skiers and riders should be advised that a green circle, blue square, black diamond or double black diamond trail at Loon is not necessarily the same as a similarly-rated trail at another area. The system is a relative rating of trails at each resort, and does not compare difficulty between resorts. Skiers and riders should begin with the easiest terrain and move up in difficulty as their ability permits in order to understand relative trail ratings at Loon.

For on-mountain emergencies, call 603-745-6359
