Avalanche Rescue Training Center

Practice your avalanche rescue skills at the training center east of the Cliff Lodge, near the Wasatch Powderbird Guides heliport. Includes dig a control panel and buried transmitters to simulate avalanche victims. Use of the center is free to the public throughout the winter. For more information contact Wasatch Backcountry Rescue at www.wasatchbackcountryrescue.org or call Ext. 4456 or (801) 933-2156.

* For members of The Club at Snowbird, a private club.
† For members of the Town Club, a private club.
