MORE TIME TOGETHER.  
MORE SPACE TO YOURSELF.

The Winter Park Territory at Winter Park Resort has a little something for everyone. With its groomers and long cruisers, it's perfect for families who want to stay together. And for those parents who want to venture out on their own and take on a more challenging diamond or two, while the kids are in our renowned ski school, you can do that at Winter Park Territory too.

MORE OFF-THE-BEATEN-PAATH TRAILS.  
MORE OFF-THE-CHARTS POWDER STASHES.

If you're looking for a brief escape from civilization, you'll love our Vasquez Ridge Territory. This intermediate and advanced terrain is the definition of off-the-beaten path and offers some of the most persistent powder stashes on the mountain.

#VASQUEZRIDGETERRITORY

MORE ROOM TO BREATHE, SO YOU  
CAN ENJOY THE BREATH-TAKING VIEWS.

With it's majestic, 360-degree views, Parsenn Bowl Territory offers some gorgeous scenery. Which goes great with the wide open bowl skiing and intermediate friendly ski trails. Parsenn Bowl. Just one of the seven territories at Winter Park Resort.

#PARSENNBOWLTERRITORY

MORE SUPERPIPE. MORE SUPER JUMPS.  
MORE "DID YOU SEE THAT?"

Proof that jumps, jibs and rails are truly for everyone. Our entire park system features an 18-foot super pipe and more than 80 other innovative, progressive features that we're always re-configuring to enhance your - and our own - creativity on the slopes. Making our half-dozen parks both an easy start for beginners and a challenging test for experts... but only after earning their way into Dark Territory.

MORE TO SEE. MORE TO DO.  
MORE TO EAT.

The new Lunch Rock Restaurant at the top of Mary Jane opens this December. And let's face it, after a day on the Jane, with her legendary bumps and tree skiing, you work up quite an appetite. So come on up to Winter Park Resort and challenge yourself to a few runs on Mary Jane. And then reward yourself with a nice lunch.

#MARYJANETERRITORY

FEEL MORE OUT OF BOUNDS WHILE  
STAYING WELL WITHIN BOUNDS.

The side-country-like terrain of our Eagle Wind Territory is a truly exhilarating experience. Winding through a beautiful, challenging forest and ending in gorgeous glades, Eagle Wind Territory makes you feel closer to the natural beauty of the mountain, perhaps more than anywhere else at the resort.

#EAGLEWINDTERRITORY

MORE STORIES. MORE CHUTES.  
MORE STORIES TO TELL.

The Cirque at Winter Park Resort is our most challenging terrain. But now that we have the Cirque Sled, getting to the top just got a little easier. The Cirque may not be very forgiving, but it will give you plenty more stories to tell. The Cirque: just one of the Seven Territories of Winter Park Resort.
